Fireburst blasting its way to Xbox Live

Grab the wheel and burn some rubber
in indiePub's scorching hot arcade-style racing game

June 14, 2013 – indiePub Entertainment, Inc. (OTC.PK: IPUB) and Bigben Interactive are fired up to announce that the arcade-style combat racing game, **Fireburst**, is available today (June 14, 2013) via Xbox Live.

Blast opponents off the road with **Fireburst**, a fast-paced arcade style combat racing game where you rev up to scorching speeds to outrun opponents and set them ablaze in your flaming wake.

Here's what critics are saying about **Fireburst**:

- "**Fireburst** is an extremely gorgeous game." - *Indie Gaming Mag*
- "Nothing is more fun than unleashing this deadly fire on your opponents." - *Impulse Gamer*
- "**Fireburst** does offer the white-knuckle racing gamers feed off of." - *Press 2 Reset*
- "[T]he racing action is explosive whether you play alone or with friends." - *Game Chronicles*
- "If you fancy a new arcade racer that channels the irascible might of flame to win the day, **Fireburst** is pretty much definitely it." - *GameTWonk*

Drive as sixteen sarcastic characters using various explosive, fire-based special abilities to turn other cars into a pyre of parts. Leave opponents sucking on your smoldering dust in single-player mode, local four-player mode or the insane, firetastic online eight-player mode.

Fireburst is available today (June 14, 2013) worldwide on Xbox Live (MP 800) and is rated "Teen" for comic mischief, mild language, mild suggestive themes and mild violence by the ESRB.

Fireburst is also available for PC (Windows) via Steam and will be available Summer 2013 on PlayStation Network.
