## **Storm available now for Xbox Live, coming to PlayStation Network**

Prepare for a tranquil journey through the seasons  
in indiePub's long-awaited indie game

**June 14, 2013** – It is with zen-like happiness that indiePub Entertainment, Inc. (OTC.PK: IPUB) and Namco Bandai Games Europe announces the official release of **Storm** for Xbox Live and PlayStation Network.

Take a deep breath and prepare for a tranquil journey through the seasons with **Storm**, an ambient, ethereal experience where you use natural phenomena to guide a simple seed to fertile soil so it can take root and spring to life.

Here's what critics are saying about **Storm**:

- "If you are cozying up with a relaxing puzzler, keep an eye on this **Storm**." – *Official Xbox Magazine*
- "An intriguing cross between Braid and Flower." – *GameRevolution*
- "The visuals and soundtrack strike beautiful, relaxing chords." – *Indie Games Channel*
- "**Storm** is a unique and complete delight." – *LevelSave*
- "**Storm** gets the highest score we've ever given." – *Liquid Gamer*

In **Storm** you use the subtleties and strengths of nature to move a broken branch, fill a small pond or make snow fall to solve puzzles and create

natural paths. Take your time and explore nature's nooks or simply enjoy the ambiance as you float, blow and bounce a seed to the perfect place to take root. Relax and enjoy Adventure, Challenge or Spirit modes, each set in gorgeous environments and enhanced by soothing, nature-inspired soundscapes.

**Storm** will be available for Xbox Live on June 14, 2014 (worldwide) for \$9.99/9.99€ and for PlayStation Network on June 18, 2013 (US) for 800 MP.

**Storm** is rated "Everyone" by the ESRB.

**Storm** is also available for PC (Windows) through the **Storm** web site at StormTheGame.com for \$9.99.
