## **Turkey Stuffin' available now for iOS**

This ain't the way your grandma made it.

Start stuffing silly stuff into a turkey's butt using your iPhone, iPad or iPod Touch!

**CINCINNATI, OHIO (USA) – November 16, 2012** – Independent game publisher and developer, indiePub Entertainment, Inc. (US OTC: IPUB), is celebrating the gamification of holiday food preparation with ***Turkey Stuffin'***, available now on iTunes for all iOS devices (iPad, iPhone and iPod Touch).

Start stuffing stuff in a turkey's butt in ***Turkey Stuffin'***, a hilarious quick-play game that pokes fun at traditional holiday cooking.

In ***Turkey Stuffin'*** you have 30 seconds to jam a fine fowl full of tasty concoctions and prove your poultry stuffing prowess by creating the fattest, tastiest turkey in the world. Overstuff the bird and you'll yield a massive, flatulent mess that no Pilgrim should ever have to witness.

Use the correct combinations of items to mix secret fowl fattening Recipes and unlock Game Center Achievements including The Turdrunken, Fowl Language, Return to Sender and Butter Ball.

Turkey Stuffin' truly is a butt load of fun.

### **FINE-FEATHERED FEATURES:**

- **Purdy Birdy Pictures:** A humorously illustrated turkey.
- **Tons o' Stuff-Ins:** Scads of stuff-ins including veggies, finger foods, condiments, silverware and more!

- **Silly Sounds:** An extensive soundtrack of silly and stupid turkey sounds.
- **Scores Galore:** A pitiful excuse of a rating system that tells you exactly how tasty and fat you made your turkey.

***Turkey Stuffin'*** is available now on [iTunes for \\$0.99](#) (iPad, iPhone and iPod Touch).

***Turkey Stuffin'*** is also available for Android devices via [Google Play](#) and [Amazon's Appstore for Android](#) (\$0.99).
